## Introducing our Legacy Class Houseboat...

New to our fleet in 2007, Waterway Houseboats introduced the Legacy, a houseboat where you can call your meeting to order in the morning, and play in the sunny water of the Shuswap Lake in the afternoon.

The vessel is an amazing 94 feet by 24 feet wide accommodating up to 30 guests.

The second one was launched in 2008, making the Legacies the two largest vessels on the Shuswap.

The Legacies are equipped with a large board room, teleconferencing capabilities as well as wireless internet. Great for - Management meetings, corporate retreats, strategy sessions, staff parties, or company perks. Looking for a signing bonus that makes your company stand out? What about a Waterway Houseboat retreat on the beautiful Shuswap Lake.

Your team will have fewer interruptions than being in a hotel, more focus on tasks at hand, a more restful, and a more creative environment producing better ideas and stronger results.
